## EXPERTISE

---

Kristina is one of the first ICs in Balkan region, certified by the [Intimacy Professionals Association](#). Combining a rich background as a freelancer in film and TV production with years of training in intimacy and conscious sexuality, she brings new value and raises standards for filming intimate scenes across the Balkans and beyond. Whether scenes involve nudity, simulated sex, LGBTQIA+ topics, or the intimacy of minors and other sensitive groups, Kristina handles every task with professionalism. She ensures that actors feel safe and respected, directors supported in their vision, and the production well-protected.
